

## Welcome to the Recuva Wizard

This wizard will help you recover your deleted files. Just answer a few simple questions and Recuva does the rest.

If you don't want to use this wizard, simply press Cancel and you will have access to the advanced features of Recuva.

☒ Do not show this Wizard on startup.

## Thank you, Recuva is now ready to search for your files

After the search is complete you will see a list of the files Recuva has found. Simply check the files you would like to recover and click the Recover button.

Check this box if previous scans have failed to find your files. Note that this may take over an hour on a large drive.

☒ Enable Deep Scan

Click Start to begin the search.
